Dear FMCA Families and Potential Future Families:

We understand that selecting the right school for your child is one of the most important decisions you will make. We are delighted that you are considering FMCA and feel strongly that you will not be disappointed. The front office team will serve as a resource for you as you evaluate whether FMCA is a good fit for your family or as you become acclimated with FMCA.

Families are drawn to FMCA for several key reasons. Our Mission is the foundation of everything we do at FMCA, and part of that Mission is to offer individualized interactions between children and teachers. FMCA will both love and challenge your child/children, and you will never have to worry about them getting lost in the crowd. Our students learn classically. They are not covering a vast amount of material at surface level but exploring important and relevant subjects in-depth. After all, learning is more than just getting through the materials. It is about covering the materials well and allowing students the opportunity to wonder about the *good, the true, and the beautiful*. At FMCA, there is a recognizable balance between high standards and grace. All children participate in the faith-filled classroom life and are always challenged to grow spiritually and intellectually, as faith and academics are the cornerstones of our school.

Please note that FMCA offers generous scholarships, and each year we do our best to offer affordable tuition for each family.

We look forward to building a relationship and a future with you and your family. Please do not hesitate to reach out with any questions you might have.

PreKindergarten Toilet Training Policy

Only One Thing is Necessary...

Children enrolled in PreKindergarten must be toilet trained before attending. Children must be wearing underwear. A child having accidents daily would not be considered toilet trained. Please note that wearing pull ups is not considered toilet trained, though we do allow for pull up at rest time if needed.

Why do children have to be toilet trained before they begin PreKindergarten?

- There are strict standards for changing and disposing of wet or soiled diapers/ pull ups. Our classrooms are not equipped for this.
- When an adult is changing soiled clothing, it removes one adult from the direct supervision of and interaction with the rest of the class.

We do understand that even toilet trained children will occasionally have accidents. "Accidents" can be defined as unusual incidents that should happen infrequently. In these instances, the teachers will help the children change their clothing, while encouraging as much independence as possible.

A toilet trained child is a child who can do the following:

- Communicate to the teachers that he/she needs to go to the restroom before they go.
- Alert him/herself to stop what he/she is doing to go to the bathroom.
- Pull down his/her clothing and get them back up with minimal assistance.
- Wipe him/herself with minimal assistance.
- Get on and off the toilet.
- Wash and dry hands.
- Postpone going temporarily if they must wait for somebody who is in the bathroom or we are away from the classroom.

We certainly will ask your child many times throughout the day and before naptime if they need to use the bathroom. A teacher will assist children as needed, but children should be able to complete most toileting activities independently.

It is not uncommon for a child who is fully toilet trained to have a setback when he or she is in a new environment. We are aware of this and will assist the children. Please send a complete change of clothes appropriate for the season. These will be left at school in case of accidents and will be returned at the end of the year. Parents will be notified if a child has a toileting accident.

We understand that each child arrives at this milestone differently, therefore we will allow for time for your child to demonstrate accomplishment of this goal. However, if the situation is not manageable within the classroom environment, we will discuss the issue with the parents and reserve the right to unenroll until such a time as the child has arrived at this milestone.

Family Expectations: 2024 – 2025

Only One Thing is Necessary...

Scrip Requirements

- Purchasing Scrip gift certificates is a very easy way to earn money for our school without costing you extra money. All you need to purchase is gift certificates (Scrip) for your regular family needs.
- Each family is expected to generate \$350.00 of **profit** through Scrip sales.
- Profit percentages are indicated on the order form next to each vendor.
- Family and friends may purchase Scrip in your name.
- It is easy to buy and order Scrip. You may purchase Scrip in the School Office or after Mass at one of the Catholic parishes. You may phone in an order to school, email an order to the School Secretary, or order online, or use the RaiseRight app. Most orders will be filled immediately. If we do not have a particular Scrip gift card on hand, it will usually take one week to get it in.
- **All of your Scrip sales from May 1, 2024, through April 30, 2025**, will be recorded for you in a computer program to track each family's sales. A printout will be sent home periodically to inform you of your progress.
- Any excess profit over the \$350.00 will be credited to the family's Tuition Account at a 50% rate as a Scrip Tuition Credit in the next school year.
- If a family does not meet the \$350.00 profit requirement, they will be expected to pay the difference. Any amount due will be added to the last month of your current school year's tuition.
- If you do not wish to participate in our Scrip program, you may opt out on your tuition contract for a fee of \$350.00. If you do not opt out, your participation will be required.

Please Note: Half-Day Pre-K families **ONLY**, the requirement is \$150.00.

Family Service Hours

Each family is required to generate 25 hours of service for the school **between the dates of June 11, 2024, through the last day of school for 2025**. Hours may be earned by volunteering your time, services, or goods. Each hour of service is worth \$10.00. If you do not wish to participate in the Family Service Hours Program, you may opt out on the tuition contract for a fee of \$250.00.

Please Note: Half-Day Pre-K families **ONLY**, the requirement is 12.5 hours, with an opt-out option of \$125.00.

Family Activity Accounts: 2024 – 2025

Only One Thing is Necessary...

What are Family Activity Accounts?

Family Activity Accounts (FAA) are a vehicle to help families save for and pay out-of-pocket, school-related activity expenses for their child. It allows families to start earning money through school fundraisers, to help offset the cost for things like the middle school band trip, field trips, and other class trips. There is one account for each family.

How does a Family Activity Account get funded?

Families earn money for their FAA by participating in school fundraisers. Any amount of profit earned gets banked into your FAA. This money carries over year to year.

Who keeps track of Family Activity Account balances?

The balances are tracked by fundraising volunteers, along with FMCA staff. The manager of the FAA is the FMCA secretary. If you require a report at any time, please contact secretary@fathermarquette.org or 906-225-1129.

Who does the money belong to?

The money raised is raised in the name of the School, and therefore belongs to the School. The money is deposited into a bank account in the name of the School. Since the money belongs to the School, it can not be accessed by the families except to pay designated out-of-pocket school-related expenses.

What type of expenses may be paid with Family Activity Account funds?

Expenses that may be paid include any required out-of-pocket school-related cost for your child (e.g. class trip or class outing, but NOT tuition) that would require a family to pay \$25 or more. The reason for the minimum required amount is to limit the amount of work/volunteer time required to maintain the Family Activity Accounts.

What type of expenses may not be paid with Family Activity Account funds?

- Tuition
- SCRIP Requirement
- Family Service Program Requirement
- Non-Activity Fees (spirit wear, fruit sales, etc.)

How are expenses paid out of Family Accounts?

A teacher and/or staff member will inform you of any activities your child may be participating in. If the cost to you is \$25 or more, you may request that your Family Activity Account funds balance be used to pay the expense. An FAA Withdrawal Request Form must be completed, signed, and turned into your child's teacher or the middle school office. The school will then process the withdrawal from your account, and the activity expense will then be paid for directly by the school.

Some Future Expenses to be aware of:

- Middle School Camp Michigamme Trip
- 7th/8th Grade Washington D.C. Trip
- Band Trip to Appleton to see a musical
