

# BABY BOTTLE BOOMERANG

Calling all FMCA families to actively participate in our schoolwide Lenten Almsgiving!

## What is it?

The Baby Bottle Boomerang is a fundraiser for the Care Clinic, which supports and provides resources to babies, moms, and families in our community.

## How Can I Participate?

The Care Clinic has provided each classroom with a baby bottle bank. Students are encouraged to bring in loose change and savings to put in the classroom bank as an act of almsgiving. The classroom that raises the most money will celebrate with a pizza party!

**The Boomerang will START on Ash Wednesday.**

**Baby Bottles will be collected on Friday, April 11th.**

*Luke 12: 33-34 "... give to those in need... for wherever your treasure is, that is where your heart will be too."*
